

On **Saturday, April 23rd**, the Burlington Conservative and Progressive Conservative Associations will be helping Clean Up and Green Up Burlington again!

We will be cleaning up the green space near the Esso Station just south of Appleby Line and the QEW in Burlington.

Please check out the event at the city's site, and don't forget there will be an appreciation BBQ for all participants at Burlington Central Library and bandstand area. There also will be the annual Eco-fair there from 11-4.

The link to the event's new webpage can be seen [here](#).

Please contact us before the event so we can assure we have enough cleaning supplies and BBQ tickets for the whole association, but this is also an open event. Bring anyone who wants to help make Burlington a better and cleaner community.
