

Dear Burlington Conservative Association Members and Supporters,

If you've already made a donation this year, or participated in a fundraising event, we thank you for your generous contribution! As we near the end of 2020, this is a great time to donate for this tax year. You will receive your 2020 tax receipt(s) by early February 2021.

Here's an excerpt from our *November President's Message* by Ross Noble:

*"We're very thankful to our members for supporting our local riding over the years. As a reminder, when you donate to the Burlington Conservative Association your donations stay in Burlington and directly support us in activities for our members, events to attract new members and in preparation for an upcoming election. As you're already aware, with the Liberal minority government we must be prepared for an election in the near future. We understand the difficulties so many families are dealing with as a result of the economic challenges from COVID-19 within our community, however we ask that if you're able to make a donation now in November or December, it will be very much appreciated. For example, a donation of \$400 will make a difference in our preparation for an election and you'll receive a 2020 tax credit of \$300 therefore only costing you \$100. We've heard you voice your concerns on the complete mismanagement of this Trudeau government and we will work with you, our leader Erin O'Toole and our fellow Conservatives across Canada, to bring back a Conservative government that will fight for you and your family."*
